FOR IMMEDIATE RELEASE

Dec. 18, 2009

### **Eagle Manor Sneak Preview Tours Available This Holiday Season**

Helena, MT. On Sunday, December 20, from 3-5 pm and on Tuesday, December 22, 1-3 pm, Eagle Manor is offering holiday sneak preview tours of all their now finished facility. Over the last six years, Rocky Mountain Development Council has rebuilt or built 140 apartments in the significantly expanded Eagle Manor complex. The last phase of work is just finished.

The Eagle Manor facility serves income-eligible seniors and those with disabilities. While not an assisted living facility, it provides a variety of amenities including meals and activities.

Although the grand opening will occur early in January, the staff wanted to offer special early-bird, sneak preview tours during the holidays. “We know that families will be together this season,” said Carla Adair, Eagle Manor Property Manager. “It’s a great time for adult children and their parents to check out housing possibilities that may offer seniors the right place to live.”

The Eagle campus is decorated for the holidays. The staff will be offering refreshments and tours that showcase different styles of one-bedroom and efficiency apartments.

“We hope the community will take time to learn about the great, safe affordable housing that RMDC is now providing for those in our community who truly need it,” said Adair.

For further information, please contact Carla Adair, RMDC, Eagle Manor Property Manager at 442-0610.
