

Spirit of Service (SOS) is an annual “Spring Cleaning” event promoted by local businesses and organizations. The date of the 2018 SOS is June 5, 2018 (with a rain date of June 7, 2018). The program volunteers invest the entire day helping homeowners by performing yard work or minor maintenance on their homes. The home must be owner-occupied and the homeowner must be unable to do the work due to age or other limitations (there are no income guidelines for this program). Homes must be located in Helena, East Helena, or the Valley. Priority is given to homeowners who have not been helped within the last three years.

The service is free of charge to the homeowners. The organizations involved provide the tools, labor and materials required to do the work. The work the volunteers perform is limited to typical spring cleaning chores such as grass cutting, hedge trimming, raking, trash removal, window washing, cleaning of rain gutters, and some painting. Interior work is not a part of the program and volunteers are restricted from entering the homes. The volunteers come from various businesses and organizations in the Helena area.

If you feel that you or someone you know would be eligible for this service, please call Kathy Marks at Rocky Mountain Development Council, Inc. at 406-457-7323. You can also mail or bring the application to the following address:

All applications are considered and evaluated, however not all are accepted and scheduled because of volunteer limitations. Representatives of the SOS Program visit the homes to assess applications and the request in advance of the selection process.

As we get closer to our 2018 Spirit of Service event and work on the selected property, we contact newspaper and TV stations to secure media coverage of the event. We get our own cameras out to photograph our crews hard at work, too. Ordinarily, media crews make half a dozen stops among SOS homes. In advance, it helps us a great deal to know whether you are comfortable with photos or interviews. Please answer the questions on the application side of this form to let us know how you feel. Thanks for your help!
