HEAD START
RELEASING CHILDREN AND LATE PICK UP POLICY AND PROCEDURE**

POLICY: RMDC Head Start ensures the safety of all Head Start children. It is the expectation that the Head Start child's parent(s)/guardian(s) ensures pick up of their child promptly at the end of class. This Policy does not apply to Law Enforcement Officials and/or Department of Family Services (DFS) Child Protection Workers who present their identification badge (ID) credentials. Head Start staff and parent(s)/guardian(s) are expected to comply with the following Releasing Children and Late Pick up Procedure.

PROCEDURE:

Releasing Children:

- **Children will only be "released to" primary, secondary, and/or those contacts that have "release to" next to their name on the ChildPlus Report 1520 (1520). If contact only has "emergency contact" next to their name, do not release child to them.**
- Head Start staff will ask for photo ID if they are unfamiliar with the pick-up person.
- Head Start follows court documents such as Parenting Plans, Orders of Protection, and Department of Family Service's guardian/custody papers/letters.
- If there are no court orders limiting a birth parent's time with the child (Parenting Plan, Order of Protection, DFS papers) and the parent's name is on the child's birth certificate, Head Start will release the child to the parent after seeing a photo ID.
- At time of intake, a Family Advocate will retain a copy of child's birth certificate. If parent(s)/guardian(s) do not have a copy of the Birth Certificate and the child has Medicaid, Head Start Family Advocate will have parent(s)/guardian(s) sign an Office of Public Assistance (OPA) Release of Information (ROI). Parent(s)/guardian(s) goes to OPA with the ROI and photo ID to pick up a copy of certificate of live birth and returns copy to Head Start office to be placed in child's file in the Head Start office.
